

Operations Associate Cologne (f/m/d)

Gorillas Technologies GmbH

Who are we?

We are Gorillas & we are on a mission to redefine convenience retail. We are a passionate and experienced founding team with previous start-up experience and roots at Bain & Company and HelloFresh. We are backed by one of the most prominent early-stage Venture Capital firms to fuel our growth. We have recently launched our product and are now recruiting our first key employees. We are now looking for an **Operations Associate** to join us on this journey.

Your responsibilities will include:

- You will be responsible for the accuracy of pick and packing the orders sent to our customers
- You will ensure the ultimate freshness of the products you are picking
- You will assist the supervisor with operations as necessary
- You will receive products from our suppliers and ensure the physical count matches the purchase
- You will put away product to their inventory locations while making sure of the inventory accuracy
- You always make sure of the cleanliness and readiness of the warehouse for operations

Your profile:

- You have some previous experience in a professional role in a similar environment (FMCG/Retail is a big plus)
- You have a strong hands-on mentality and are very detailed oriented
- You are familiar with the grocery retail space
- You have very good communication skills and a high proficiency in both written and spoken English
- You are motivated and want to make our mission your own mission

What we offer:

- Steep learning curve from day one
- Great opportunity to build something you are proud of
- Transparent company culture with flat hierarchies & a super cool team

This is a unique opportunity to be part of a Start-Up from day one and to have a real impact on the company's success and growth. We are very much committed to invest in your learning curve!

If this sounds like a perfect fit for you, don't hesitate to contact us at fabian.willkomm@gorillasapp.com or apply on our website <https://gorillas.recruitee.com>!
